*I profili raggiungono IP67 se debitamente sigillati.

*The profiles reach IP67 if sealed correctly.

*Bei ordnungsgemäßer Versiegelung erreichen die Profile die Schutzart IP67.

*Los perfiles alcanzan el IP67 si se encuentran debidamente sellados.

*Les profilés atteignent l'indice IP67 s'ils sont dûment scellés.

P04G-A-ECM

3+3 tappi di chiusura in PC per profilo PMMA
3+3 PC end caps for the PMMA profile
3+3 Endkappen aus PC aus PMMA-Profil
3+3 tapones de cierre de PC para perfil de PMMA
3+3 embouts de fermeture en PC pour profilé PMMA

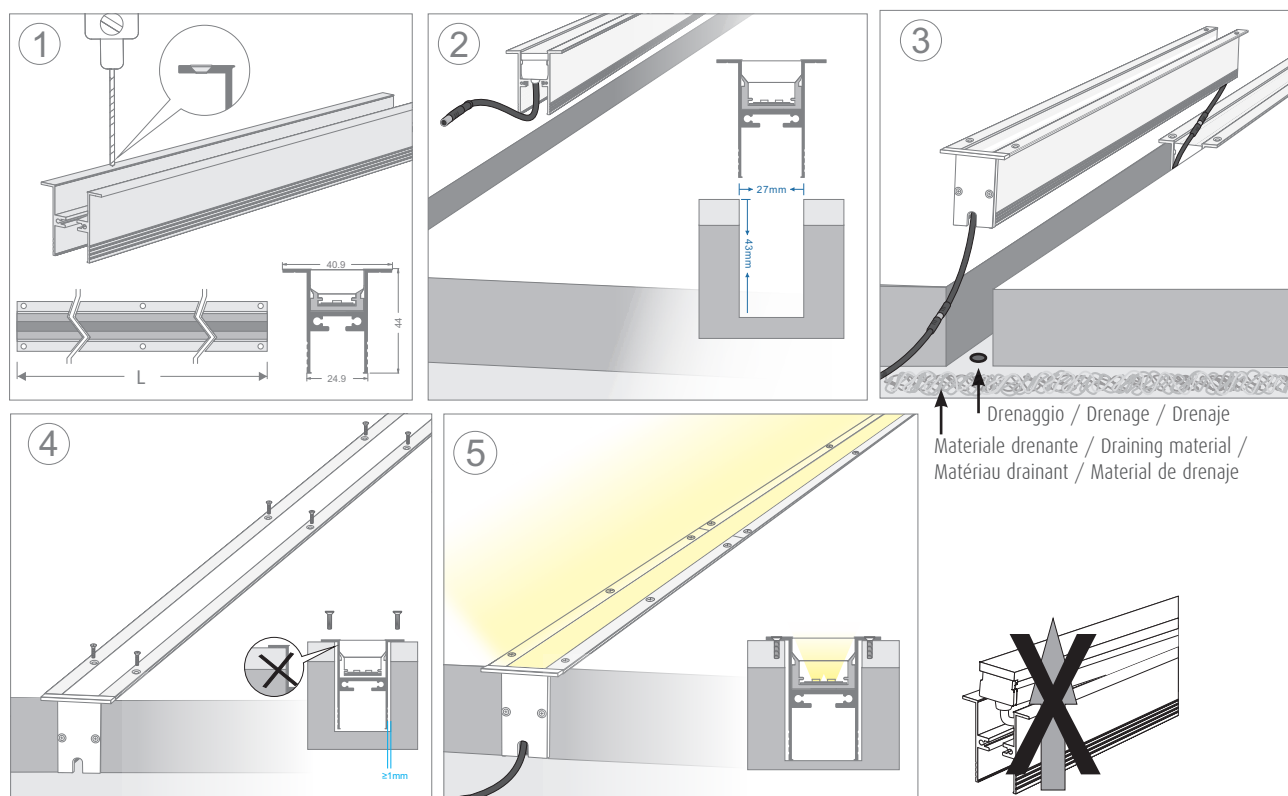

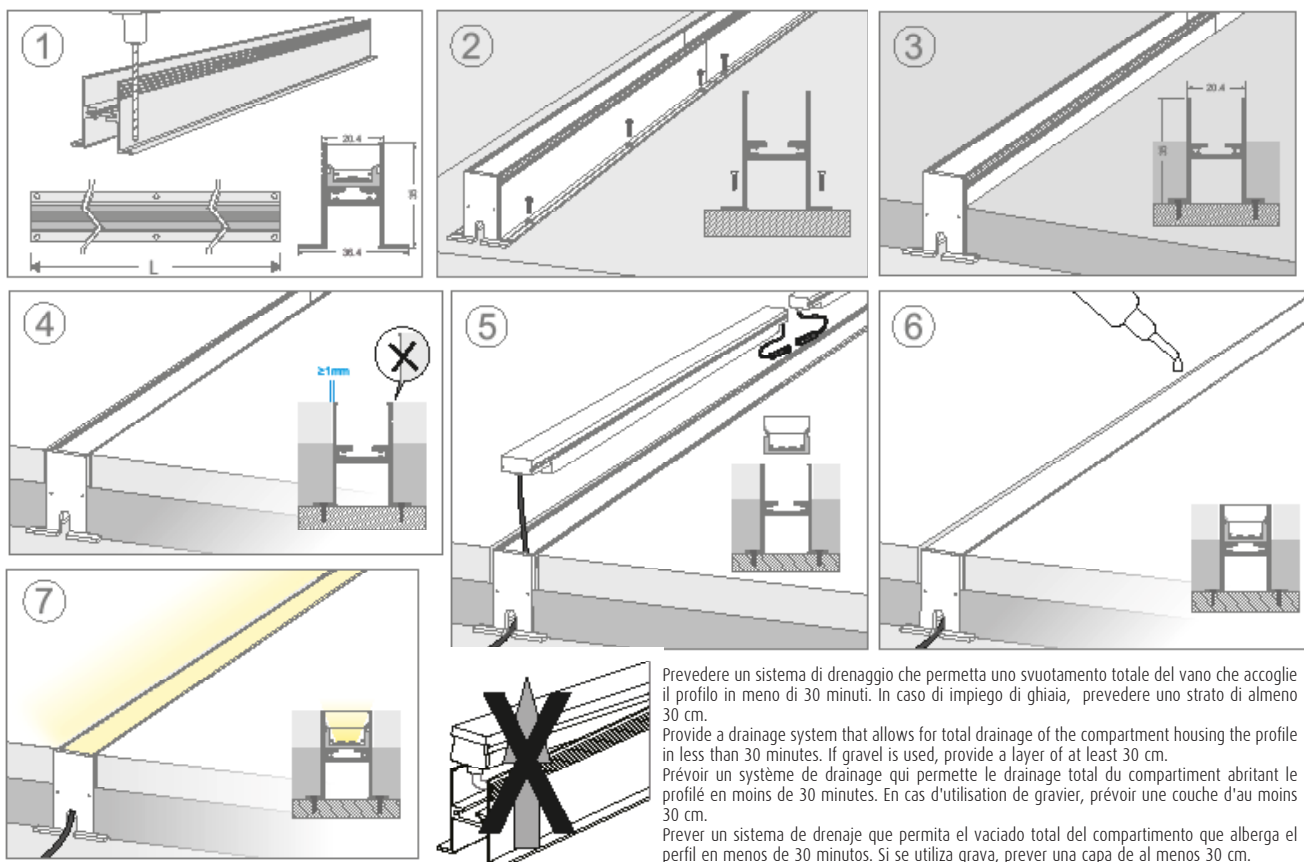

P04G-A-ECP

3 coppie tappi di chiusura in metallo
3 sets of metal end caps
3 Paar Endkappen aus Metall
3 pares de tapones metálicos de cierre
3 paires d'embouts de fermeture en métal
